

PATRIARCHY - (n.)
Control by men of a
disproportionately large
share of power and
privileges.

QUEER - (n.)
any sort of sexual
orientation that differs
from the "norm" of
heterosexuality.

SEX - (n.)
either of the two
major forms of indivi-
duals that occur in
many species and
that are distinguished
respectively as female
or male.

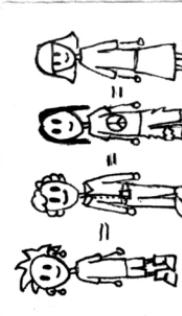

SEXISM - (n.)
1: prejudice or discrimi-
nation based on sex;
especially: discrimination
against women. 2: beh-
avior conditions or
attitudes that foster
stereotypes of social
roles based on sex

GENDER - (n.)
the behavior, dress,
and activities that society
considers appropriate
for each sex

GENDER ROLE - (n.)
societal roles that
are preconceived and
assigned to a person
based on their sex

FEMINISM - (n.)
1: the theory of the equal
rights and opportunities
for women's rights
2: of the sexes. 2: ogenism -
ecological and social femi-
